

Maybe It's Love

Trisha Yearwood

Everybody's heart aches
Every time it opens
You don't know if you'll win or lose
You have to just let go
No I wasn't looking
It's funny how I found you
Just when I thought
I'd live my life alone
Maybe it's love
That I have longed for
Maybe it's love
I should be strong for
I'm tearing down the walls inside
I want to laugh, and cry and kiss
Maybe it's love
I miss
I've close my heart down
So many seasons
I didn't want to hurt again
I didn't want to try
So I turned myself to ice and stone
Said I don't need anyone
And nobody else
Would ever make me cry
Maybe it's love
I've run away from
Maybe it's love
Bringing me back home
I'm tearing down the walls inside
I want to laugh, and cry and kiss
Maybe it's love I miss
So put your arms around me now
Hold me tight
Show me how
No one has ever loved me more
I've waited for so long
Maybe it's love
Maybe I'm dreaming
Maybe it's love
I can believe in
I'm tearing down the walls inside
I want to laugh, and cry and kiss
Maybe it's love
Maybe it's love
Maybe it's love
