

# Over You (feat. A Great Big World)

Ingrid Michaelson

Over, I'm so over you  
The way that you look  
In a 3-piece suit

Over, I'm so over you  
The way that you held me  
Like nobody else would

Maybe if I tell myself enough  
Maybe if I do  
I'll get over you  
Maybe if I tell myself enough  
Maybe if I do  
I'll get all over  
You  
You oh  
Over you  
You

Over, I'm so over you  
The way that you laugh  
Made everything that I do  
Over, I'm so over you

The way that you said that you'd always be true  
And maybe if I tell myself enough  
Maybe if I do  
I'll get over you  
Maybe if I tell myself enough  
Maybe if I do  
I'll get all over  
You  
You  
Over you  
You  
Over you

I'm falling around you  
I'm falling around you  
I'm falling around you

I'm falling around you

Oh

Maybe if I tell myself enough

Maybe if I do

I'm falling around you

Maybe if I tell myself enough, oh

Maybe if I tell myself enough

I'm falling around you

Maybe if I do

I'm falling around you

Maybe if I tell myself enough, I'm falling around you, oh
