

# Northenden

## Doves

Fuck long sight and Levenshulme  
Same goes for Stockport and Hulme  
We doing alright, just post-house blues  
'Cos this is Northenden in the afternoon  
The kids are deranged, they love guns and kidnap  
Thats just the way we do things here  
The day dies down not a moment too soon  
Under the Northenden afternoon  
Northenden afternoon
