

# I'm On My Way

## The Proclaimers

I'm on my way from misery to happiness today  
I'm on my way from misery to happiness today  
I'm on my way to what I want from this world  
And years from now you'll make it to the next world  
And everything that you receive up yonder  
Is what you gave to me the day I wandered

I took a right, I took a right turning yesterday  
I took a right, I took a right turning yesterday  
I took the road that brought me to your home town  
I took the bus to streets that I could walk down  
I walked the streets to find the one I'd looked for  
I climbed the stair that led me to your front door

[Chorus]

And now that I don't want for anything  
I'd have Al Jolson sing "I'm sitting on top of the world."

I'll do my best, I'll do my best to do the best I can  
I'll do my best, I'll do my best to do the best I can  
To keep my heart from jumping through my mouth dear  
To keep the past, the past and not the present  
To try and learn when you teach me a lesson

[Chorus]
