We just wanna partyNaughty, naughty, naughty

I flirt with everybodyNaughty, naughty, naughty
We just wanna party
It's all about fun and games
Until I hurt somebody[Porcelain Black]
Definitely not an angel
But I'm not that evil, you know
I'm just so addicted
To beautiful people, uh ohI'm getting sucked into the night
I'm out ahead and losing control (Oh no)
Get me wrong and get me right
You know that I can never say no (Oh no)[Chorus]
Naughty, naughty, naughty
We like to party
I know you hate it 'cause
I flirt with everybodyNaughty, naughty, naughty
We just wanna party
It's all about fun and games
Until I hurt somebodyUh oh uh oh uh oh
So whatcha gonna do about it
Uh oh uh oh uh oh
So whatcha gonna do about it[Porcelain Black]

We like to party
I know you hate it 'cause
