

Summer's Gone

Placebo

Cue to your face so forsaken
Crushed by the way that you cry
Cue to your face so forsaken
What a surprise[Chorus]
You try to break the mould
Before you get too old
You try to break the mould
Before you die Cue to your heart that it racing
Stung by the look in your eye
Cue to your heart that is racing
What a surprise[Chorus] Cue to your face so forsaken
Crushed by the way that you cry
Cue to your face so forsaken
Say goodbye Sing for your lover
Like blood from a stone
Sing for your lover
Who's waiting at home
If you sing when you're high
And you're dry as a bone
Then you must realize
That you're never alone
And you'll sing with the dead instead[Chorus]
