

Dawn of Decay

Ringworm

Mutation; you bring this scar onto me
Sedation; The death of what I could be
Disintegration; I'm so uncontrolled
We are the devils; our hearts are bought and sold
Wait for the light; Shine ever bright;
Fall in-between; Never-ending screams
Stream; it flows like hate eternal
Corrosion; Nothing to brace the fall
Illumination; I'm tearing at the seams
We are the devils; and things aren't what they seem
Wait for so long
Everything's so wrong
Am I led astray? Dawning of decay
I'll see when the truth corrodes;
I'll bleed till the sky explodes
