Did You See Me?

Ween

Did you see me
Come down on the sand and sea?
Believe me
Did you see me
Waving it free in the tree?
Believe me
Did you see me
Flying through the galaxy?
Believe me
Did you see me
Waving it free in the tree?
Believe me
Did you see me
Come down on the sand and sea?
Believe me
Did you see me
Waving it free in the tree?
Believe me
