

# Did You See Me?

Ween

Did you see me  
Come down on the sand and sea?  
Believe me  
Did you see me  
Waving it free in the tree?  
Believe me  
Did you see me  
Flying through the galaxy?  
Believe me  
Did you see me  
Waving it free in the tree?  
Believe me  
Did you see me  
Come down on the sand and sea?  
Believe me  
Did you see me  
Waving it free in the tree?  
Believe me
