Last Day On Earth (Something Small)

Puggy

When you look around, can't find a stranger in your town,
It might be time to move away.
There's nothing left to see
And you've shot the last of a dying breed.
It might be time for us to
Might be time for us to...

Hey, don't you know,
when you go you'll be the last to know?
(Might be time for us to, might be time for us to go)
When your time is up, you give it up,
then on and on we go

Ooh-ooh..

Oh (x52)

We'll sing for your last day on earth,
feels like you'll get what you deserve.

Something that is small can be greater than us all,
It might be time to take a look
So put a record on, I believe we're good as gone
It might be time for us to
Might be time for us to go

Oh (x30)
