Trying Not to Love You

[David Ball](#)

Tryin' not to love you, failing in every way
With you around, I keep losin' around day by day
Tryin' to be fair, both to me and to you
Tryin' not to love you is hard to doI guess there's no use hiding
What everybody knows
'Cause to other eyes there's no disguise
The love that showsIf I'm not bein' clear, I'll explain these words to you
Tryin' not to love you is hard to doI guess there's no use hiding
What everybody knows
'Cause to other eyes there's no disguise
The love that showsIf I'm not bein' clear, I'll explain these words to you
Tryin' not to love you is hard to do
Yeah, tryin' not to love you is hard to do
