

Total Eclipse Of The Heart

Glee Cast

Turn around
Every now and then I get a
little bit lonely and you're never coming 'round
Turn around
Every now and then I get a little bit tired of
listening to the sound of my tears
Turn around
Every now and then I get a little bit nervous
that the best of all the years have gone by
Every now and then I get a little bit
terrified and then I see the look in your eyes
Turn around bright eyes
Every now and then I fall apart
Turn around bright eyes
Every now and then I fall apart
And I need you now tonight
And I need you more than ever
And if you'll only hold me tight
We'll be holding on forever
And we'll only be making it right
Cause we'll never be wrong
Together we can take it to the end of the line
Your love is like a shadow on me all of the time
I don't know what to do, I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight
Once upon a time I was falling in love
Now I'm only falling apart
There's nothing I can do
Total eclipse of the heart

Once upon a time there was light in my life
Now there's only love in the dark
Nothing I can say
Total eclipse of the heart
Turn around bright eyes
Every now and then I fall apart

Turn around bright eyes
Every now and then I fall apart
And I need you now tonight
And I need you more than ever
And if you'll only hold me tight
We'll be holding on forever
And we'll only be making it right
Cause we'll never be wrong
Together we can take it to the end of the line
Your love is like a shadow on me all of the time
I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight
Once upon a time I was falling in love
But now I'm only falling apart
There's nothing I can do
A total eclipse of the heart
A total eclipse of the heart
A total eclipse of the heart
Turn around Bright Eyes
