## **Price Tag**

## Jessie J

It seems like everybody's got a price
I wonder how they sleep at night
When the sale comes first and the truth come
second

Just stop for a minute and smileWhy is everybody so serious?

Acting so very mysterious

Got your shades on your eyes and your heels so high

That you can't even have a good time

Everybody look to their left

Everybody look to their right

Can you feel that? (Yeah)

We're paying with love tonightIt's not about the money, money, money

We don't need your money, money, money

We just wanna make the world dance

Forget about the price tagAin't about the (uh) cha-ching, cha-ching

Ain't about the (yeah) ba-bling, ba-bling

Wanna make the world dance

Forget about the price tagWhy is every one so serious?

Acting so very mysterious

Got your shades on your eyes and your heels so high

You can't even have a good timeWhy is everybody so obsessed?

Money can't buy us happiness

Can we all slow down and enjoy right now

Guarantee we'll be feelin' alrightEverybody look to their left

Everybody look to their right

Can you feel that? Yeah

We'll pay them with love tonightIt's not about the money, money, money

We don't need your money, money, money

We just wanna make the world dance

Forget about the price tagAin't about the (uh) cha-ching, cha-ching

Ain't about the (yeah) ba-bling, ba-bling

Wanna make the world dance

Forget about the price tagYeah, yeah, well, keep the price tag and take the cash back

Just give me six strings and a half stack

And you can keep the cars, leave me the garage

And all I, yes, all I need are keys and guitarsAnd guess what, in 30 seconds I'm leaving to Mars

Yeah, we leaving across these undefeatable odds

It's like this man, you can't put a price on life

We do this for the love, so we fight and sacrifice every nightSo we ain't gon' stumble and fall, never

Waiting to see in the sign of defeat, uh uh
So we gon' keep everyone moving their feet

So bring back the beat and then everyone sing, it's not about It's not about the money, money

We don't need your money, money, money

We just wanna make the world dance

Forget about the price tagAin't about the (uh) cha-ching, cha-ching

Ain't about the (yeah) ba-bling, ba-bling

Wanna make the world dance

Forget about the price tagIt's not about the money, money

We don't need your money, money, money

We just wanna make the world dance

Forget about the price tagAin't about the (uh) cha-ching, cha-ching

Ain't about the (yeah) ba-bling, ba-bling

Wanna make the world dance

forget about the price tags
