This Is The Sound

The Party People

I've been building scars up
Putting flames out with my fingers
Tell me when my times up
So my hope no longer lingers

Then say no more
Say no more
Say no more

'Cause, this is the sound of hurt
Unrehearsed and it's so loud
So, what are you waiting for?
You can't ignore the sound
Of someone breaking down

Somehow, I'm rendered speechless
I get nervous, when you're leaving
So tell me, reassure me
There is something worth believing

Then say no more
Say no more
Say no more

'Cause, this is the sound of hurt
Unrehearsed and it's so loud
So, what are you waiting for?
You can't ignore the sound
Of someone breaking down

Then say no more
Say no more
Say no more

'Cause, this is the sound of hurt
Unrehearsed and it's so loud
So, what are you waiting for?
You can't ignore the sound
Of someone breaking down

This is the sound
