## **Show You How**

## **The Killers**

{You have one saved message To listen to your messages, press one, to ch First saved message Message sent yesterday at 10:41 P.M.}I gotta tell ya I'll make it better But I know there's somethin' I needed to say When I was out, though Maybe you were better alone I know I'll make it homeShe told me sweet thang Run a labor in your shoes Touch me 'til I follow in love I wanna help her Maybe we were better alone I wanna show you howAnd then we walked out Make it made now I said I want it but I never alone I wanna show you Maybe we were somethin' uncool I wanna make you sing
