Mansion on the Hill

Ray Price

Tonight down here in the valley
I'm lonesome and oh how I feel
As I sit here alone in my cabin
I can see your mansion on the hillDo you recall when we parted?
The story to me you revealed
You said you could live without love dear
In your loveless mansion on the hillI've waited all through the years
Love to give you a heart true and real
'Cause I know you're living in sorrow
In your loveless mansion on the hillThe light shines bright from your window
The trees stand so lonesome and still
I know you're alone with your pride dear
In your loveless mansion on the hill
