

# Invidia (Album Version)

## Delain

My achievements seem so humble  
While you're making wine from water  
While my hand work the cold soil  
All you touch turns into gold  
And I don't wanna be like you I don't wanna be like you  
It seems like you outrun me every time  
I want to be you  
Why can't I erase you from my mind I don't wanna be like you  
It seems like you outrun me every time  
I want to be you  
Why can't I erase you from my mind All the heroes in the gutter  
Finally get their ever after  
As they lay their final glance  
Upon your ever shining armor  
And I don't want to be like you I don't wanna be like you  
It seems like you outrun me every time  
I want to be you  
Why can't I erase you from my mind Looking from a distance,  
The difference seems so small  
Has the grass been greener  
On the other side at all? I don't wanna be like you  
It seems like you outrun me every time  
I want to be you  
Why can't I erase you from my mind I don't wanna be like you  
It seems like you outrun me every time  
I want to be you  
Why can't I erase you from my mind
