Dipset, Killa Cam, duke da GodI make cheddar that's cheddar, you gotta say bravo
Ma mess with me, I'm better than lotto
Got more than a million, fuck a dollar and a dream
You don't even need a dollar, holla at the teamChicken, cornbread, collared on your greens
Mansions, cars, Prada on your jeans
Hell in Harlem, I'm poppin' up in Queens
Brooklyn, the Bronx, hoppin' on the sceneAnd you're not from the regime and I'm popular with fiends
No gossip they cop it, crotched up in a lean
Cars I cop it, crotched up and I lean
Seventy five, dropped it on a BeamAnd you love the way I'm bouncin' it, weed I roll a pound of it
Ya'll niggaz are counterfeit, money I stay countin' it
Throw a punch and I counter quick, down to flip
Beef I love the sound of it, your crib'll be surround in itDo ya thing, do ya thing, do it
Do ya thing, do ya thing, do it
Do ya thing, do ya thing, do it

Electronic jewelry, I need a 'Duracell'
Battery triple A, where the icicles lay
And beat you with a wiffle bat, all over a nickel playGirlfriend, my girlfriend got the nickel plate
Right in the bra, it tickle her little nipples, hey
Juelz got the whistle
Me, I got the whistle that whistle right through the pistol KAnd this is the chronicles of Killa
And don't smoke 'cuz the chronic it'll kill ya
I'm a monster and gorilla, that'll conquer for the scrilla
