

All Kinds of People

Jill Johnson

There's a time for love and a time for healing
You can't go back and undo what's been done
 The word of mouth, time is revealing
 Just how far we've let this kingdom come
 Hand to hand we're finding our way
 And today is just tomorrow's yesterday
 Some will die for you, some will lie to you
 There's all kinds of people in this world
 Turn the world around, tear the borders down
There's all kinds of people in this world, yeah
 Kiss of life, the hand of fate
 The boy grows up into his father's son
 And he learns to love, been taught to hate
 To carry on the way it has been done
 All our lives it's debts to repay
 Maybe someday we can put the past away
 Some will die for you, some will lie to you
 There's all kinds of people in this world
 Turn the world around, tear the borders down
 There's all kinds of people in this world
 Some will die for you, some will lie to you
 There's all kinds of people in this world
 Turn your fear away, find a better way
There's all kinds of people in this world, yeah

 Then in a moment things can change
 One look behind, it's never the same
 Some will die for you, some will lie to you
 There's all kinds of people in this world
 Turn the world around, tear the borders down
 There's all kinds of people in this world
 Some will die for you, some will lie to you
 There's all kinds of people in this world
 Turn the world around, tear the borders down
 There's all kinds of people in this world
 Some will die for you, some will lie to you
 There's all kinds of people in this world
 Turn the world around, tear the borders down
 There's all kinds of people in this world

Some will die for you, some will lie to you
There's all kinds of people in this world
Turn the world around, tear the borders down
There's all kinds of people in this world
Some will die for you, some will lie to you
There's all kinds of people in this world
Turn the world around, tear the borders down
There's all kinds of people in this world
