

# A Kiss Before I Go

## Ryan Adams & The Cardinals

One, two, one, two, threeThe engine turns on a dime

    But I ain't goin' nowhere tonight

    I ain't been goin' nowhere for quite awhile

    Can't tell the truth in a house of lies

    Can't explain what I don't know

One shot, one beer and a kiss before I goOne more kiss 'fore I go

    One more night and day

    Breath all heavy and slow

One shot, one beer and a kiss before I goI'll miss those nights at the bar

    With every girl all loaded like freights

    And the pain in the morning comes as easy as it goes

    Can't find the truth in a house of lies

    And you can't see tomorrow with yesterday's eyes

One shot, one beer and a place where nobody criesOne more kiss 'fore I go

    One more night and day

    Breath all heavy and slow

    One shot, one beer and a kiss before I go
