

# Somebody To Love

[Suzy Bogguss](#)

Your mascara's runnin' and your hair is a mess  
And what have you spilled on your party dress  
Sittin in the kitchen all broken hearted  
Lookin' for comfort in an ice-cream carton  
But all you want,all you really wantIs somebody to love,you want somebody  
Oh you've got to be strong  
It's not enough to want somebody  
Just cause the night is long  
You've got to be tough and hold out honey  
'cause what you really want is somebody to loveI've been to all of the places you go to  
And I've danced the tango with Casanova  
The wine and the roses are so continental  
But the champagne is flat and the tux is a rental  
All you want,all you really want[Chorus]  
Yeah you want somebody  
To tear the night apart  
Someone to love you back now honey  
That's a darn good start  
You've got to be tough and hold out honey  
'cause all you want is somebody to love
