Engineers

Marc Streitenfeld

All that we are
Is all that we need to be
All that we know
Is you and machinery
We're engineers
We are your heartbeat
We are your night life
We are your low-line
We keep you alive for now
We're engineers
We are your voice
We are your blood flow
We are your eyes
We're all you need to know
We're engineers
All that we are
Is all that you'd love to be
All that we know
Is hate and machinery
We're engineers
