

Ok

Live

I am not okay
With this TV in my face
An' liar after liar
With nothin' 'bout nothin' higher
I am on the outside
Peerin' into your world
An' all the boys an' girls are singin', "Save me
Save me from the one who only rapes me"
Oh yeah
Take away my TV
Don't want your fuckin' recipe
It's all decay, decay, decay
No, not today, today, today
Take away my TV
Don't want your fuckin' therapy
It's all decay, decay decay
No, not today, not today, yeah
Oh no, oh no
It's our world an' I'm on fire
With anger an' desire
Not the kind that they feed to me
With their emptiness an' greed, greed, greed, yeah
I am on the outside
Peerin' into your world
An' all the boys an' girls are singin', "Save me
Save me from the one who only rapes me", yeah
Oh yeah
Take away my TV, yeah
Don't want your fuckin' therapy, no
All decay, decay, decay
Not today, today, today, yeah
Take away my TV, yeah
Don't want your fuckin' therapy
It's all decay, decay, decay, yeah
Not today, not today
I don't give a fuck what you say about me
Everything you are is just a tool to me
So just set up the mic an' let me do my thing
In the consciousness of each an' every sentient being

Rainin' down like a thunderstorm into your mind
Maybe not the first, the second, or even the third time
But eventually, you won't be able to put me down
You'll be havin' me with breakfast in your coffee grounds, c'mon
I am on the outside
Peerin' into your world
All the boys an' girls are singin', "Save me
Save me from the one who only rapes me", yeah
Oh John
Take away my TV, yeah
Don't want your fuckin' recipe
All decay, decay, decay
Not today, today, today
Take away my TV, yeah
Don't want your fuckin' therapy
It's all decay, decay decay
Not today, not today, yeah
Oh no, oh no
I am not okay
I am not okay
I am not okay
