Use the Man

[Megadeth](#)

I heard somebody fixed today
There was no last goodbyes to say
His will to live ran out
I heard somebody turned to dustLooking back at what he left
A list of plans and photographs
Songs that never will be sung
These are the things he won't get done
The things he won't get doneI've seen the man use the needle
Seen the needle use the man
I've seen them crawl from the cradle
To the gutter on their hands
The fight a war but it's fatal
It's so hard to understand
I've seen the man use the needle
Seen the needle use the manJust one shot to say goodbye
One last taste to mourn and cry
Cry, cry
Scores and shoots, the lights go dim
Just one shot to do him inHe hangs his head and wonders why
Why the monkey only lies
Lies, lies
But pay the pauper, he did choose
He hung his head inside the noose
He hung his head inside the nooseI've seen the man use the needle
Seen the needle use that man
I've seen them crawl from the cradle
To the coffin on their hands
They fight a war but it's fatal
It's so hard to understand
I've seen the man use the needle
Seen the needle in his hand
Cryptic writing on the wall
The beginning of the end
I've seen myself use the needle
Seen the needle in my handI've seen the man use the needle
Seen the needle use that man
I've seen them crawl from the cradle
To the coffin on their hands
They fight a war but it's fatal

It's so hard to understand
I've seen myself use the needle
Seen the needle in my handIn my hand
In my hand
In my hand
