

# Rid Of Me

## Black Light Burns

Tie yourself to me  
No one else  
No, you're not rid of me  
You're not rid of me  
Night and day I breathe  
Ah hah ay  
Hey, you're not rid of me  
Yeah, you're not rid of me  
Yeah, you're not rid of me  
Yeah, you're not rid of me  
I beg you, my darling  
Don't leave me, I'm hurting  
Lick my legs I'm on fire  
Lick my legs of desire  
I'll tie your legs  
Keep you against my chest  
Oh, you're not rid of me  
Yeah, you're not rid of me  
I'll make you lick my injuries  
I'm gonna twist your head off, see  
Till you say don't you wish you never never met her  
Don't you don't you wish you never never met her  
Don't you don't you wish you never never met her  
Don't you don't you wish you never never met her  
I beg you my darling

Don't leave me, I'm hurting  
Big lonely above everything  
Above everyday, I'm hurting  
Lick my legs, I'm on fire  
Lick my legs of desire  
Lick my legs, I'm on fire  
Lick my legs of desire  
Yeah, you're not rid of me  
Yeah, you're not rid of me  
I'll make you lick my injuries  
I'm gonna twist your head off, see  
Till you say don't you wish you never never met her  
Don't you don't you wish you never never met her

Don't you don't you wish you never never met her  
Don't you don't you wish you never never met her  
Don't you don't you wish you never never met her  
Don't you don't you wish you never never met her  
Don't you don't you wish you never never met her  
Don't you don't you wish you never never met her  
Don't you don't you wish you never never met her  
Don't you don't you wish you never never met her  
Don't you don't you wish you never never met her  
Don't you don't you wish you never never met her
