Won't You Ride In My Little Red Wagon

Willie Nelson

Won't you ride in my little red wagon
I'd love to pull you down the street
And I know all the kids will be jealous
When they see my playmate so sweetHold tight till we come to the hilltop
Gonna coast down the hill, you and me
Won't you ride in my little red wagon
For you are my sweetheart to beHold tight till we come to the hilltop
Gonna coast down the hill, you and me
Won't you ride in my little red wagon
For you are my sweetheart to be
You are my sweetheart to be
