

# Won't You Ride In My Little Red Wagon

[Willie Nelson](#)

Won't you ride in my little red wagon  
I'd love to pull you down the street  
And I know all the kids will be jealous  
When they see my playmate so sweet Hold tight till we come to the hilltop  
Gonna coast down the hill, you and me  
Won't you ride in my little red wagon  
For you are my sweetheart to be Hold tight till we come to the hilltop  
Gonna coast down the hill, you and me  
Won't you ride in my little red wagon  
For you are my sweetheart to be  
You are my sweetheart to be
