

Out Of My Head

Puddle of Mudd

What is wrong with all my friends
I know that I am unlike them
Just another situation
Don't hold me back I don't look up to them
They always act so dirty
They keep themselves so clean
Why can't they find the answers to
The questions that are right in front of me I'm so high I'm never low
I hold the sky and I'm never letting go
You filled my cup I'm good to go
So shake me up I'm ready to roll
Go - Never letting go No one's ever listening
The lines I've crossed somewhere between
My head is spinning like a top
I don't know when this shit is going to stop
They always act so dirty
They keep themselves real clean
Why can't they find the answers to
The questions that are right in front of me I'm telling you these people are not my friends
