

We Screen for Thieves

Ahimsa Theory

Vile after vile timing thingsâ€™
Repeat, repeat on TV Screens
â€™All the calls to machinesâ€™
To the machines to the machinesâ€™â€™

We screen for thieves that wont lieâ€™
Alibis that wont ever â€™Wont ever dieâ€™
This is not a call to armsâ€™
A farewell to arms, a farewell to armsâ€™â€™

Birth after birthâ€™
Line after line
â€™Lashing outâ€™Over and nowâ€™
Retaliating vulture
â€™Unconditioned Soldierâ€™â€™

We screen for thieves that wont lieâ€™
Alibis that wont ever â€™Wont ever dieâ€™
This is not a call to armsâ€™
A farewell to arms, a farewell to armsâ€™â€™

Theyre out for bloodâ€™Theyre out for bloodâ€™
The messengers goneâ€™The messengers goneâ€™Read em their rightsâ€™
Read em their rights
â€™Tonight, tonight â€™Wont make it rightâ€™

We screen for thieves that wont lieâ€™
Alibis that wont ever â€™Wont ever dieâ€™
This is not a call to armsâ€™
A farewell to arms, a farewell to arms
