

Puss'n Boots

[Adam Ant](#)

Pussycat's going to London
Looking for love and for fame
I wish somebody had told her
City folks ain't the samePussycat carries a postcard
Won't the big city be nice
That's the place with the action
She's gonna have her a slicePussycat, Pussycat, where have you been?
I've been to London, now I'm queen
Sitting pretty, I don't wear suits
And the mice all call me 'Puss'n bootsPussycat laughs at the warnings
Where there's a will there's a way
I think you'd agree if you saw her
Rome's built in a dayPussycat's read all the papers
Seen the movie and knows
All the streets lead to somewhere
And the pavement's goldAlthough you know it's wrong
You must do it every day
When the morning comes
Don't you turn around and say
It's bound to end in tears
So let's do it anywayPussycat wasn't a kitten
And not as dumb as they thought
She had a good head on her shoulders
And beauty that couldn't be boughtThe royalty made her an offer
If she'd keep trouble at bay
They'd give her the money and diamonds
Be queen for a day
