

God Am

Alice In Chains

Sure God's all powerful, but does he have lips?

Whoa

Dear God, how have You been then?

I'm not fine, fuck pretending

All of this death You're sending

Best throw some free heart mending

Invite You in my heart, then

When done, my sins forgiven?

This God of mine relaxes

World dies, I still pay taxes

Can I be as my God am

Can you be as God am

Can I be as my God am

God of all my God am

So Lord, I see You grinnin'

Must be grand always winning

How proud are You being able

To gather faith from fable

Can I be as my God am

Can you be as God am

Can I be as my God am

God of all my God am

God am

My God am

God am

God

All the respect I'm giving

Shared strength acquired by living

All blooming life You're feeding

Can't hide sick ones You're weeding

Can I be as my God am

Can you be as God am

Can I be as my God am

God of all my God am

God am

God am

God am

God am
