

# Hot Hands (Original Mix)

[Darius](#)

It's getting cold, baby  
I want your hot hands on me  
It's getting cold, baby  
I want your hot hands on meHOT HANDS, I need your hot hands on me  
HOT HANDS, I need your hot hands on meOur love is sweet, it might be pure  
But there are some days I can't endure  
Too lonely, cold, honestly  
Give me those hot hands that I craveOur love is sweet, it might be pure  
But there are some days I can't endure  
Too lonely, cold, honestly  
Give me those hot hands that I craveHOT HANDS, I need your hot hands on me  
HOT HANDS, I need your hot hands on meHOT HANDS, I need your hot hands on me  
HOT HANDS, I need your hot hands on meHot hands on me  
I need your hot hands on meHot hands on me  
Hot hands on meHot hands on me  
I need your hot hands on meHOT HANDS, I need your hot hands on me  
HOT HANDS, I need your hot hands on meHOT HANDS, I need your hot hands on me  
HOT HANDS, I need your hot hands on meI want your hot hands on me  
Hot hands on me  
I want your hot hands on me
