

# Degausser (Intro)

## Brand New

Goodbye to sleep  
I think that staying up is exactly what I need  
Take apart your head  
Take apart the counting,  
And the flock it has bred. Goodbye to love,  
Its right, I'll push you up,  
Right against the wall  
Take apart your head (right against the wall)  
Chew it up and swallow it But I'll bet that you're running  
I've been sleeping in the alkaline  
I can't shake this little feeling  
I'll never get anything right Goodbye, you liar  
Well, you sipped from the cup  
But you don't own up to anything  
Then you think you will inspire  
Take apart your head (I wish I could inspire)  
Take apart the demon, in the attic, to the bed. (Goodbye my love)  
But I'll bet that you're running  
(Goodbye my love)  
I've been sleeping in the alkaline  
(Goodbye my love)  
I can't shake this little feeling  
(Goodbye my love)  
I never say anything right (I'm on my own)  
I never say anything right (I'm on my own)  
I never say anything right (I'm on my own)  
I never say anything right, right, right (I'm on my own) Take me, take me, back to your bed  
I love you so much that it hurts my head  
I don't mind you running through my skin  
Oh, let the bad parts in, the bad parts in When we were made, we were set apart  
Life is a test and I get bad marks  
Now some Saint got the job,  
Of writing down my sins  
The storm is coming;  
The storm is coming in! But I'll bet that you're running  
I've been sleeping in the alkaline  
I can't shake this little feeling  
I never did anything right (I'm on my own)  
I never did anything right (I'm on my own) Take me, take me back to your bed

I love you so much, that it hurts my head  
Say, I don't mind you under my skin  
Oh, let the bad parts in, the bad parts in You're my favorite bird, and when you sing  
I really do wish you would wear my ring  
No matter what they say, I am still the king  
Now, the storm is coming;  
The storm is coming in.
