# Crazy Life

## Toad The Wet Sprocket

Anyway now, it don't seem right
He is in there and you're on the outside
Over pine ridge to wounded knee
There's blood on the ground as far as you see
Crazy lifeIn the air I'm sensing a change in the weather
In the end the path is clear
Does anyone remember here
Did you all think he'd just disappear
Crazy life
What have you done with Peltier
Who did you think you'd taken away
Crazy lifeIn the air I'm sensing a change in the weather
In the end the path is clearBurying won't stop it breathing forever
Underground it takes to root
