Sun Arise

Alice Cooper

Sun arise come every mornin'
Sun arise come every mornin'
Sun arise come every mornin'
Bringin' back the warmth to the groundSun arise fillin' up the hollow
Sun arise fillin' up the hollow
Sun arise fillin' up the hollow
Bringin' back the warmth to the groundSun arise she come every mornin'
Sun arise each and every day
Sun arise she come every mornin'
Sun arise every every every every dayShe drive away the darkness everyday
She drive away the darkness everyday
She drive away your darkness everyday
Bringin' back the warmth to the groundSun arise, sun arise, sun arise
Every every every every
Sun arise, sun arise, sun arise
Every every every every
Sun arise, sun arise, sun arise
Every every every every
