

No More (la La La)

One Voice

One Voice: No more (la)
Ohhhh Ohhhhhh Ohhhhhhhh
Ohohh oh oh aww
No More
No More
No more (La la la la la la la)
You can kiss my (la la la la la la)
No more (La la la la la la)
I'm goin with my girls
I should've known you weren't worth my time
You're the kind that don't deserve me
Ungrateful and unworthy deslamated also blurry
No More (I can't believe I was so blind)
Tellin myself I'm trippin
Today I caught you slippin
Now its gonna be your missin
No more
I mean you can't play me for a fool
No more
Hearin your crazy lies sayin it wasn't me
No more
Pleasin you (You can kiss my)
No More
Takin up my time
I'm goin with my girls
I couldn't believe what she was telling me
That you've been creepin, sleepin
Roundin on me straight cheatin, late night freakin, every week-end
No More (You know I don't need this..)
And now your games are through
Your words were never true
I'd be a fool to stay with you
No more
I mean you can't play me for a fool

No more
Hearin your crazy lies sayin it wasn't me
No more
Pleasin you (You can kiss my)

No More
Takin up my time
I'm goin with my girls
Rap:
You can't believe everything folks say
She probably jealous, hatin on me cause she wanna try and take me away
I knew that chick from way back in the day
Type of girl to prank call with dumb shh cause the trick wanna play
Wouldn't trust her cause her tails are tall
Wonder how she got the number to my spot and had the nerve to call
Baby girl its just me and you
Swear I never do them things people always tryin to say I do
No more stress, no more pain
No more drivin me insane
No more lies, alibi's
No more telling me your tryin
No more hurt useless words
All for something that won't change
No more givin up my love to someone who can't do the same
No More
I mean you can't play me for a fool (la la la)
No more
Hearin your crazy lies sayin it wasn't me
No more
Pleasin you (You can kiss my)
No More
Takin up my time
I'm goin with my girls
La La La La La LA LA la lala lala (to fade)
