The Wrong Man

Amanda Ghost

In my life, in my lifePerfect is tonight, it's opened up to find
No matter what I say, you're a substitute for my pride
It's terrible to see a new accessory
No matter what I say, you're just filling a void in meBut, it's better to know the girl inside
You're always running towards the needs that you recognize
When it's better to leave the love behind
'Cause you're the wrong man at the wrong time in my life
In my life, in my life, in my lifeYou don't, you don't
You won't, you won't belongWasted is today, another pill to take
I know the hate is equal to the love we make
To you I don't belong when the trust has gone
I know the games we play aren't fooling anyoneWhen it's better to know the girl inside
You're always running towards the needs that you recognize
When it's better to leave the love behind
'Cause you're the wrong man at the wrong time
In my life, in my lifeYou don't, you don't
You won't, you won't belong, belongYou don't, you don't
You won't, you won't belong, belong, belong, belong
You don't, you don't
You won't, you won't belong, belong, belong, belong
