

Go Die (Live At the Ritz)

D.R.I.

You're bothering me
For anything free
Why can't you see? I'm out on a limb
My nerves are stretched thin
You really don't win Go die
Go die You seriously ask
For my autograph
I can't help but laugh Just leave me alone
Why can't you go home?
A brain you don't own Go die
Go die Go die
Go die Following me around
Just like a lost hound
And you're bringing me down I tell you goodbye
And you ask me why
Guess, I'm just shy Go die
Go die
Go die now
