

Beautiful Girl

[Lakisha Jones](#)

Beautiful beautiful girl beautiful beautiful beautiful girl she means the world to me beautiful beautiful beautiful girl she came into my life when everything wasn't quite right and when i look in her eyes it's worth a sacrifice had doubts some feels didn't understand why you were here but now it's so crystal clear why he gave you the means cause you're my beautiful beautiful girl you're my beautiful beautiful girl she means the world to me beautiful beautiful girl you're my beautiful beautiful girl girl i reflect on all those times when i could have gave up on life just one word from you makes everything alright you're my strength when i'm not strong you're my voice when i sing my song my precious little one you are my life because you're my beautiful beautiful girl you're mine beautiful beautiful girl she means the world to me beautiful beautiful girl you're my beautiful girl girl things will come i'm sure but we will indoor cause our love is so beau you gave me a reason to believe in real love you're my you're everything to me with you my life's so clean you're my such a give to me so beautiful to me everything everything to me my life's so clean such a give to me oooooh beautiful beautiful beautiful girl lord you're my beautiful beautiful girl she means the world to me yeah she means the world to me beautiful beautiful you're my beautiful girl girl everything to me everything to me my life's so clean my life's so clean such a give to me so beautiful to me everything everything to me my life's so clean such a give to me.
