Jigsaw Youth

Bikini Kill

I can sell my body if i wanna
God knows you already sold your mind
I may sell my body 4 $$$ sometimes
But U can't stop the fire
that burns inside of me
U think I don't know
I'm here to tell you I do
U think that I don't know
I know the truth about you
Jigsaw Jigsaw Youth
We go with the kids
yeah yeah yeah
Jigsaw Jigsaw Youth
We know there's not one way
one light, one stupid truth
Don't fit your definitions
won't meet yr demands
not into win/lose reality
won't fit in with your plans
