

# Cajun Song

## Gin Blossoms

Well, she's leaving today I do know so far away  
I'm feeling so blue and it shows in every single way  
Once that girl she was mine for such a short time  
We used to spend every night now all I do is cry  
They say you can't miss something you've never had  
So tell me why  
Why I could feel so bad  
We used to walk down the path just like lovers do  
She'd hold my hand and we'd laugh  
I'd stare in her eyes they were blue  
Once that girl she was mine for such a short time  
We used to spend every night now all I do is cry  
They say you can't miss something that you've never had  
So tell me why  
Why I could feel so bad
