

# Lay It On The Line

## The Partridge Family

I don't have to explain what's on my mind  
Show ya, show ya, gonna make you mine  
Ain't no mountain too high to climb  
Show ya, show ya, gonna take the time  
Show ya (show ya), show ya (show ya)CHORUS:  
Show ya, show ya, gonna make you mine  
Show ya, show ya, gonna blow your mind  
Show ya, show ya, gonna take the time  
Show ya, show ya, lay it right on the line  
Right on the line, right on the line  
Right on the line, right on the line  
Nobody ever really got inside me just lookin' in my eyes  
And touchin' you is all I needed to make me realize  
Show ya, show yaCHORUSSOLOREPEAT CHORUS AND FADE
