

# Faded Love

**Eddy Arnold**

As I look at the letters that you wrote to me  
It's you that I'm thinking of  
As I read the lines that to me were so sweet  
I remember our faded love I miss you darling more and more every day  
As heaven would miss the stars above  
With every heartbeat I still think of you  
And remember our faded love I think of the past and all the pleasures we had  
As I watch the mating of the dove  
It was in the springtime that you said, "Goodbye"  
I remember our faded love I miss you darling more and more every day  
As heaven would miss the stars above  
With every heartbeat I still think of you  
And remember our faded love  
And remember our faded love
