

Automatic (feat. Jenn Wasner)

Big Data

I feel so much better today
Now that you mad
Couldn't do it alone
And I never will again

You're my eyes, my feeling my hands
The thoughts in my mind
I don't even have to trying make me better than I am
Then I am
So much better than I can

Automatic
I give up, give up
Here I am, don't you want me to do it again
(It's automatic, it's automatic)
Here I am, cuz you need me to do it again
(It's automatic, it's automatic)

I feel so much better today
Now that it's time
Clearing the memory
But you can't tell me who I am

There's no shame in making it easy
(It's not easy)
I don't even have to try you do it better than I can
Then I can
So much better than I can

Automatic
I give up, give up
Here I am, don't you want me to do it again
(It's automatic, it's automatic)
Here I am, cuz you need me to do it again
(It's automatic, it's automatic)
(All let go)
I'm ready, if you let me
(Take control)
Just forget, it's all automatic

I be the one to make your heart beat right
Walking in circles, I speak your mind
I'll breathe your air to make you feel alive
(Automatic)

I need a feeling, you scared and run
Pay your attention, be your house and home
I'll keep your company and never be alone

Automatic
I give up, give up
Here I am, don't you want me to do it again
(It's automatic, it's automatic)
Here I am, cuz you need me to do it again
(It's automatic, it's automatic)
(All let go)
I'm ready, if you let me
(Take control)
Just forget, it's all automatic

I feel so much better today
Now that you mad
