Gimmie Dat

B. Ames

I've been gone for too long
Think it's time I bring it back
I've been gone for too long
Now it's time I take it backYea yea, you like it when
I move it to the beat like that
Got that bump bump in your truck
Got them speakers burning up, gimme that bassGimme, gimme, gimme, gimme that bass
Gimme, gimme, gimme, gimme that bass
Gimme, gimme, gimme, gimme that bass
Gimme, gimme, gimme, gimme that bassGimme, gimme, gimme, gimme that bass
Gimme, gimme, gimme, gimme that bass
Gimme, gimme, gimme, gimme that bass
Gimme, gimme, gimme, gimme that bassThis right here's a banger
This right here's a keeper
Just know when you play this
You might blow out your speakers

Please don't set me off
When the song come on
You know I'm going offWhen the beat's up and down
I'm a bring the place down
This Georgia peach is so round
Like it when I jump jump down to the groundWhen the beat's up and down
Never complain when I put it down
The princess is back in town
I'm gonna put on my crownI've been gone for too long
