

# Just Another Christmas

## Laura Story

Put out the light  
Put up the tree  
Same old stocking,  
Same routine  
Busy sidewalks  
Crowded stores  
Somehow I forgotten  
what it's all for  
The word made flesh for me  
Born a child and king.  
God, I wanna feel the wonder  
of heaven touching earth  
Hear a thousand angles sing our god is here  
Don't let there be  
a moment I miss  
Don't let this be  
just another Christmas this year  
May there be peace  
in every home  
May the orphan  
know they're not alone  
May there be joy  
in every heart  
And may I fall more in love with who you are  
God I wannna feel the wonder  
of heaven touching earth  
Hear a thousand angels sing  
our god is here  
Don't let there be  
a moment I miss  
Don't let this be  
just another Christmas this year  
Just another Christmas  
May my voice  
My life  
My all  
sing glory in the highest  
Glory in the highest  
May your church

Your holy bride  
sing glory in the highest  
Glory in the highest  
God I wanna feel the wonder  
of heaven touching earth  
Hear a thousand angles sing  
our God is here  
Don't let there be  
a moment I miss  
Don't let this be  
Just another Christmas this year.  
Just another Christmas this year.  
Ohhh  
Don't let it be  
Don't let it be  
Just another Christmas  
This year.
