Get You Gone (feat. Capt. RedBeard)

Rockit Gaming

I know you just moved in, but what were you thinkin'?
Tryna get, tryna get, tryna get get get you gone
I know that you want in; I know that you need in
Tryna get, tryna get, tryna get get get you gone
Who could've known what I would become?
Tryna get, tryna get, tryna get get get you gone
What's hidden below, what's behind the door!
Tryna get, tryna get, tryna get get get you gone
Two times, you've tried, to get my house and I saw you try, last night
You're gonna be sorry
Can't hide, won't find anything inside I swear it's true
You
You're gonna be SORRY, gonna be. YOU'RE GONNA BE SORRY, gonna be. YOU'RE GONNA BE SORRY, gonna be. YOU'RE GONNA BE SOOOOOOOOOOOORRY.
I'm a mystery.
Minding my own business; why you into me?
So into me?
Consider me your enemy, your neighbor with no sympathy.
What are you doing inside of my home?
Why don't you leave me alone?
Secrets are hidden that you'll never know.
You'll never know
I'm gonna find you
I'm gonna hunt you down
You'll never be found
Two times you've tried
To get in my house and I saw you try last night
You're gonna be sorry
Can't hide, won't find anything inside I swear it's true
You
You're gonna be SORRY, gonna be. YOU'RE GONNA BE SORRY, gonna be. YOU'RE GONNA BE SORRY, gonna be. YOU'RE GONNA BE SOOOOOOOOOOOORRY.
Tryna get, tryna get, tryna get get get you gone
Tryna get, tryna get, tryna get get get you gone
Tryna get, tryna get, tryna get get get you gone
I know you just moved in, but what were you thinkin'?
Tryna get, tryna get, tryna get get get you gone
I know that you want in; I know that you need in
Tryna get, tryna get, tryna get get get you gone

YOU'RE GONNA BE SORRY, GONNA BE
YOU'RE GONNA BE SORRY, GONNA BE
YOU'RE GONNA BE SORRY, GONNA BE
YOU'RE GONNA BE SOOOOOOOOOOOORRY!
Tryna get, tryna get, tryna get get get you gone
Tryna get, tryna get, tryna get get get you gone
Tryna get, tryna get, tryna get get get you gone
You're gonna be sorry.
