Dream Boy

Annette Funicello

With The AfterbeatsSome boys, they say
They wanna take me dancing
That's what they say
(That's what they say)And yet, they only
Wanna go romancing
And right away
(And right away)Although, I like to
Go to drive-in movies
I only go to see the showBecause, as yet
I haven't met the fella
Who'll set my heart
And soul aglowDream boy dream boy
Where's the boy for me
Dream boy dream boy
I wonder who he'll beWho will he be
Who will he be
Who will he be
Who will he beWonder when I'll meet
The dreamy dream boy
Meant for meSometimes, I really
Think I like a fella
Who's nice and sweet
(Who's nice and sweet)And then another fella
Comes and sweeps me
Right off my feet
(Right off my feet)Although
I love to dance
And like romancing
And making plans
And holding handsI know this heart of mine
Is only searching
To find the one
My only oneDream boy dream boy
Where's the boy for me
Dream boy dream boy
I wonder who he'll beWho will he be
Who will he be
Who will he be
Who will he beWonder when I'll meet

The dreamy dream boy
Meant for me
Wonder when I'll meet
The dreamy dream boy
Meant for me
