

# I See Fire

## Celtic Woman

Oh, misty eye of the mountain below  
Keep careful watch of my brothers soul  
And should the sky be filled with fire and smoke  
Keep watching over Durin's son If this is to end in fire  
We should all burn together  
Watch the flames climb high into night Calling out father oh  
Stand by and we will  
Watch the flames burn  
Auburn on the mountain side (oh) And if we should die tonight  
We should all die together  
Watching flames climb high  
For the last time Calling out father oh  
Prepare us we will  
Watch the flames burn  
Auburn on mountain side  
Desolation comes upon the sky Now I see fire, inside the mountain  
I see fire, burning the tree  
I see fire, hollowing souls  
And I see fire, blood in the breeze  
And I hope that you remember me Should my people fall  
Surely i'll do the same  
Confined in mountain halls  
we got to close to the flames Calling out father oh  
Hold fast and we will  
Watch the flames burn  
Auburn on the mountain side  
Desolation comes upon the sky Now I see fire, inside the mountain  
I see fire, burning the trees  
I see fire, hollowing souls  
I see fire, blood in the breeze  
And I hope that you remember me And if the night is burning  
I will cover my eyes  
For if the dark returns  
Then my brothers will die  
And as the sky is falling down  
It crashed into this lonely town  
And with that shadow on the ground  
I hear my people screaming out I see fire, inside the mountain  
I see fire, burning the trees

I see fire, hollowing souls  
I see fire, blood in the breezeI See fire . . . . (fire)  
And I see fire . . . . (fire)  
And I see fire . . . . (fire)  
And I see fire burn auburn on the mountain side
