

# Sleep Quietly (Maps Remix)

## Erasure

leep quietly  
My Jesus  
Now close your dear eyes  
Above you shine  
God's countless stars  
Like diamonds in the sky Beside your bed  
An angel crew  
Your cattle have fed  
Your mother stands  
In watchful prayer  
And strokes your little head  
The shepherds leave  
Their flocks as one  
They bring you my love  
While angels of  
Our father God  
Rejoice in song above From far away  
The wise men three  
Their treasures they bring  
My whole wide world  
Before your kneels  
My Jesus little king Sleep quietly  
My Jesus  
Now close your dear eyes  
Above you shine  
God's countless stars  
Like diamonds in the sky  
Beside your bed  
An angel crew  
With cattle have fed  
Your mother stands  
In watchful prayer  
And strokes your little head.
